Pools Constructions & Maintenance

Thank you for considering Mirus Tekhne, to help you in designing and building your dream pool. We believe our knowledge, experience, and expertise in pools will make you happy. Mirus Tekhne, a prominent swimming pool construction company, was established in 2014, We born by merging some super experts in the field, who had completed some prestigious pool projects of Kerala almost 15 years back, like Semi Olympic pool at NIT Calicut, Chinmaya Calicut, and Olympic pool Sports Council Alappuzha. Etc.

All these were designed and constructed by Certikine pools, which later completely merged to Mirus Tekhne. Some other experienced experts also joined their hands with us, which made Mirus Tekhne one of the super talented pool builders in Kerala. Till this time, Mirus Tekhne has completed more than 100 pools in resorts, villas, educational institutions, community clubs, and sports clubs.

In summary, Mirus Tekhne has its resource base, experience, and know-how to serve its clients in a wide range of construction projects.
